SUBJECT: ROKG SATISFIED WITH IAEA IRAN EXPORT DENIAL
SHARING MECHANISM

REF: SECSTATE 11499

Classified By: POL M/C Joseph Y. Yun, Reasons 1.4 (b,d).

(C) On February 5, Poloff conveyed reftel demarche and letter to Kim Jim-im, Deputy Director, Disarmament and Nonproliferation Division, Republic of Korea Ministry of Foreign Affairs and Trade. Kim said the ROKG supports and will continue to share nuclear-related export denial information on Iran with the IAEA Secretariat as appropriate.

He said he would convey the appreciation expressed in Heinonen's letter to UNVIE to the appropriate ROKG agencies. In a follow-up discussion on February 13, Kim reported that the ROKG is satisfied with the current export denial information-sharing mechanism, submitting relevant export denial information on Iran directly to the IAEA. Regarding possible IAEA requests for additional information on cases submitted in November 2007, Kim advised the IAEA contact the ROKG directly through the ROK Mission in Vienna.
